please call Martha Parsons at 925-757-8138

HISTORY OF THE HOLIDAY RUN AND WALK FOR HEALTH

In 1977, Tom Torlakson, a teacher and coach at Pacifica High School, and Mike Hurd, the Antioch High School Cross Country coach, decided to organize a new East County fitness event. One in which their runners could participate after the Cross Country season ended, and one to involve their community more in running.

For the second year, Torlakson approached Clark Gelhaus—a teacher as well as a swimming instructor and fitness enthusiast—and the Delta Kiwanis Club to help. Both the Kiwanis and Gelhaus enthusiastically embraced the Holiday Run, partnerships continuing to this day.

The event's organizers have continued to expand and transform the Holiday Run to make it enjoyable and meaningful for participants.

A 10K race was added by 1979. In the 1980s, the race was moved to Raley's Shopping Center in order to take advantage of the nearby Contra Costa Canal trail. In 1987, the Holiday Run's "School Participation Challenge" was initiated as a way to encourage younger students to get involved in the race and fitness.

In 1991, the race moved to the nearby Delta Memorial Hospital, now Sutter Delta Medical Center, allowing the use of their facilities for race headquarters. The walk was added to attract parent participation, seniors, and the growing number of recreational walkers.

In 1995, Delta Kiwanis made the Byron Boys Ranch—recently renamed the Orin Allen Youth Rehabilitation Center—a targeted beneficiary of the financial proceeds of the event. Youth groups remain major beneficiaries to this day. A health fair was added and in 1997 our name evolved once again, becoming the "Holiday Run and Walk for Health."

New participation challenges were also added. A Libraries Challenge gave our wonderful local libraries the opportunity to become beneficiaries of the event. Through their participation, libraries are awarded funds to buy up-to-date materials on fitness and nutrition.

In 2006, the Holiday Run and Walk for Health moved to the Contra Loma Regional Park with the cooperation of the East Bay Regional Parks District. This spectacular location was well received by a record-number of runners in its first year. Updates to the race courses are planned for 2007 to further improve the experience for our race participants.

We have worked together to celebrate three decades of family fun and fitness! We continue to believe that the "Holiday Run and Walk for Health" has great potential to grow and bring its message of fitness and family health to hundreds of others in our community. We invite your ideas and help as we prepare for the 31st year of this East County holiday family tradition!

31st Holiday Run and Walk for Health & Health Fair

Saturday, December 8, 2007

Dear Friends, Sponsors, and Fitness Enthusiasts:

We know you will enjoy the 31st Anniversary of the Holiday Run and Walk for Health and Health Fair in Antioch, scheduled for December 8, 2007. Please save the date! We invite you to participate in this year's run, walk, and health fair. Use this event as a goal for increasing your own personal fitness and energy—and that of your family!

We are now celebrating three decades of health and fitness! This event is the longest “running” fitness event in East Contra Costa—and is one of the earliest and most steadfast events promoting fitness and clean living in Northern California. It has been possible to carry on this tradition and spread this message due to the generous support of sponsors and the tireless energy of hundreds of volunteers. If you'd like to join our planning committee for 2007, please let us know. We welcome your ideas and help.

We also appreciate your feedback. We're always looking to improve and expand. This past year we moved to a new location—the spectacular Contra Loma Regional Park. This new venue will allow us to have the best courses possible. It is also a great way to highlight one of the jewels of our East Bay Regional Parks system!

Our health and fitness fair continues to grow and offer healthy foods and information for race participants. This fair included the California Task Force on Youth and Workplace Wellness, initiated by Senator Torlakson, which distributed the latest information on what's been done about the diabetes and obesity epidemics among our youth, and what we can do in our schools to improve nutrition and the physical education programs. As a result of our generous sponsors, the 2006 event's proceeds benefited the Orin Allen Rehabilitation Center, Contra Costa Police Athletic Association, Bykes for Tykes, local youth groups and service clubs, and Contra Costa County schools and libraries. Those awards were given at our Third Annual Awards Breakfast in January 2007!

The Antioch Kiwanis Club of the Delta invites you to share this unique health awareness and fitness action event in 2007—our 31st year! Join in on the fun & the health of it!

Sincerely,

Senator Tom Torlakson
Race Founder

Martha Parsons, Race Director
